## 12TH ANNUAL PDPAC RECITAL

# Help us have a great show!

**NO WALKING OR TALKING WHEN PERFORMERS ARE ON STAGE!!!!** Everyone wants the best shot to see their child on stage without people walking in front of them or talking around them. So please be respectful of ALL our performers during the show.

**APPLAUD, CHEER, APPRECIATE** Our performers love to know that you appreciate what they are doing. They have worked very hard and ESPECIALLY through this last year and half, they DESERVE to hear their fellow students, families and staff cheering for them as loudly as possible. It helps keep the dancers motivated and it lets them know that you appreciate what they are doing for you on stage.

**VIDEO TAPING is allowed of YOUR DANCERS ONLY.** For the privacy and protection of other people's children you are only permitted to record your OWN child's class performance. There is an area set up for video taping and we ask that you tape from there to avoid blocking the view of any other patrons. We also ask that you please not post onto social media without first getting the consent of Miss Jaye or Miss Skylar.
